4 April 2016

Dear Shareholder,

**OFFER BY MANHATTAN CORPORATION LIMITED
for shareholders to
PARTICIPATE IN A SHARE PURCHASE PLAN**

The Directors of Manhattan Corporation Limited ("**Manhattan**" or "the **Company**") are pleased to invite you, as an eligible shareholder of Manhattan at 4pm (WST) on the record date of Thursday, 31 March 2016 ("**Record Date**") and whose registered address is in Australia or New Zealand ("**Eligible Shareholder**") to subscribe for additional fully paid ordinary shares in Manhattan ("**New Shares**") at an issue price of Australian 2.5 cents (\$0.025) a New Share ("**Issue Price**"), free of all brokerage and commission costs, under the terms and conditions of Manhattan's Share Purchase Plan ("**SPP**") enclosed with this Offer.

Manhattan has now commenced preparing an updated scoping study for the Ponton in-situ recovery ("**ISR**") uranium project in WA.

The previous scoping study, undertaken by Tetra Tech Consultants in 2011, indicated the geology and mineralogy of the relatively shallow sand hosted deposits are amenable to ISR solution mining at relatively low cost, with minimal capital requirements making the project comparatively fast and economic to build, and simple to operate.

Manhattan's key licence at Ponton, E28/1898 is located mostly within the remote Queen Victoria Spring Nature Reserve ("**QVSNR**"), 200km east northeast of Kalgoorlie.

A proposal has now been developed, that includes gaining the required political support, to excise granted E28/1898 from the QVSNR by a Reserves Amendment Bill in the WA parliament. In Late 2015 our Reserves Amendment Bill proposal was put to the WA Premier and the key Ministers being the Ministers for Mines and Petroleum, Lands, Regional Development and the Environment.

This excision of E28/1898 by a reserve boundary change will allow Manhattan to undertake further resource drilling, complete resource estimates, environmental impact statement ("**EIS**") and commence a bankable feasibility study ("**BFS**") in preparation for the Ponton ISR uranium mine development approval process.

The Ponton project has reported JORC resources and exploration targets of 50 to over 80Mlbs of uranium oxide making it the third largest uranium resource project in WA that positions Ponton as a project of key regional, state and national significance.

A maiden resource estimates for the Stallion, Highway and Shelf uranium deposits, located in Exploration Licences E28/1523 and E28/1143 to the north of QVSNR, are also underway.

As announced to the ASX on 1 April 2016, the Company is offering to Eligible Shareholders New Shares at an Issue Price of 2.5 cents (\$0.025) per New Share by way of the SPP, to raise up to \$835,000. Funds raised will be applied towards exploration and development of its Ponton uranium project, to cover the costs of the capital raising and provide working capital.

The Directors wish to give Eligible Shareholders the opportunity to participate in the SPP as part of the Company's capital raising initiative. Eligible Shareholders will each be entitled to apply for up to \$15,000 worth of New Shares, at an Issue Price of 2.5 cents (\$0.025) per New Share.

The Issue Price of 2.5 cents a New Share represents a discount of approximately 15% to the Volume Weighted Average Price ("VWAP") of 2.9 cents a share for the last 5 days on which sales in Manhattan's shares were recorded prior to the SPP being announced 1 April 2016 ("the Offer"). It also represents a discount of approximately 8% to the VWAP of 2.7 cents a share over the last 20 days on which sales in Manhattan's shares were recorded prior to the SPP announcement.

Five sophisticated investors ("Investors") have also accepted an offer to take up a placement of 5,400,000 million fully paid ordinary shares in Manhattan (under the Company's available ASX Listing Rule 15% capacity) at 2.5 cents per share ("Placement Shares") and will raise \$135,000. The pricing for the Placement Shares will be identical to that applying to Eligible Shareholders under the SPP at 2.5 cents per New Share. The Investors have confirmed they will not be participating in the SPP.

In the event that less than 33,442,882 shares, equivalent to 30% of the Company's issued capital, are applied for under the SPP the Directors reserve the right to place any shortfall to professional and sophisticated investors at the Director's discretion. The issue of any such shortfall shares would be under the Company's placement capacity pursuant to ASX Listing Rule 7.1.

The market price of Manhattan's shares may rise or fall between now and the date when the New Shares are issued in accordance with the SPP. If the market price of Manhattan's shares falls, the Issue Price of the New Shares to be issued pursuant to this Offer may not be at a discount to the market price on the date of issue.

The Directors see the following advantages for Eligible Shareholders in subscribing for New Shares under the SPP:

1. Shareholders may 'top up' their holdings to a marketable parcel;
2. No brokerage or transaction costs are payable on New Shares; and
3. The Issue Price will be at an approximately 15% discount to the VWAP calculated over the last 5 days on which sales were recorded on the ASX before the SPP was announced on ASX.

The Company's Directors and Company Secretary have indicated they intend to subscribe for New Shares under the SPP.

The Offer is non-renounceable, in that you cannot transfer your right to buy shares under the SPP to another person. However, your participation under the SPP is optional and you may elect not to participate at all, by doing nothing.

Each Eligible Shareholder may participate by completing an Offer and Acceptance Form and subscribing for one of the following offers of New Shares:

	Subscription Amount	Number of New Shares Applied For
Offer A:	\$2,000.00	80,000
Offer B:	\$5,000.00	200,000
Offer C:	\$10,000.00	400,000
Offer D:	\$15,000.00	600,000

The Directors have resolved to seek to raise up to \$835,000 under the SPP. However, the Directors reserve the right to reject any applications in whole or in part. Manhattan will return any application monies paid in relation to unsuccessful applications without interest.

SHARE PURCHASE PLAN TERMS AND CONDITIONS

These terms and conditions are the terms and conditions of the Manhattan Corporation Limited ACN 123 156 089 (“**Company**”) 2016 Share Purchase Plan (“**SPP**”) (as contemplated by Regulatory Guide 125 of the Australian Securities & Investments Commission and Class Order 09/425) and are binding on any shareholder completing a Share Purchase Plan Application Form (“**Application Form**”) attached hereto. This SPP is conducted under ASIC Class Order 09/425.

1. The Offer

The Offer is an invitation to offer to subscribe for fully paid ordinary shares in the Company (“**Shares**”) at an Issue Price of Australian 2.5 cents (\$0.025) per Share (“**New Share**”) up to a maximum subscription of 600,000 New Shares (\$15,000) (“**Offer**”).

You may refuse the Offer.

The Offer is not underwritten.

The Offer to each eligible shareholder is made on the same terms and conditions. The Offer is non-renounceable (i.e. you may not transfer your right to acquire a Share to anyone else).

2. Opening and Closing Date

The Offer opens at 9.00am WST on Monday 4 April 2016. The Offer closes at 5.00pm WST on Thursday 21 April 2016. The Directors of the Company reserve the right to change the closing date of the Offer.

No late applications will be accepted.

3. Eligibility

You are eligible to apply for the New Shares if:

- (a) Your registered address in the Company’s register of members is in Australia or New Zealand or otherwise to any shareholder to whom an offer of securities under this SPP is not in breach of the securities laws of the country in which they reside; and
 - (b) You were registered as a holder of fully paid shares in the Company as at 4.00pm WST on Thursday, 31 March 2016.
-

4. Issue Price

The issue price for each New Share under the Offer is Australian 2.5 cents (\$0.025) (“**Issue Price**”). The current share price can be obtained from the ASX website at www.asx.com.au (ASX code: MHC). As required by ASIC Regulatory Guide 125, it is confirmed that the Issue Price is less than the market price for the Company’s fully paid ordinary shares on 31 March 2016.

As required by ASX Listing Rule 7.2 Exception 15, the Issue Price of 2.5 cents a New Share represents a discount of approximately 15% to the Volume Weighted Average Price (“VWAP”) of 2.9 cents a share for the last 5 days on which sales in Manhattan’s shares were recorded. It also represents a discount of approximately 8% to the VWAP of 2.7 cents a share over the last twenty (20) days on which sales in Manhattan’s shares were recorded.

5. Rights Attached

The rights and obligations of the New Shares are contained in the Constitution of the Company (which is available for inspection at the Registered Office of the Company during the period of the Offer). The New Shares will be issued on the same terms as all other ordinary shares in the Company and the Company will apply for the New Shares to be quoted on ASX.

If the New Shares are not quoted on ASX, the New Shares will not be issued and funds will be refunded.

6. Number of Shares

If you are an eligible shareholder, you can purchase up to a maximum of 600,000 New Shares for a consideration of \$15,000. Shareholders can select one of the following four alternatives:

Offer A	80,000 New Shares	Total amount payable at \$0.025 per New Share:	\$2,000
Offer B	200,000 New Shares	Total amount payable at \$0.025 per New Share:	\$5,000
Offer C	400,000 New Shares	Total amount payable at \$0.025 per New Share:	\$10,000
Offer D	600,000 New Shares	Total amount payable at \$0.025 per New Share:	\$15,000

The total costs of New Shares purchased by each eligible shareholder (including through joint holding(s), multiple share accounts or any holding in which they have a beneficial interest) must not exceed \$15,000. The Directors reserve the right to issue to an eligible shareholder less New Shares than the number specified in an Application Form (including only that number of shares per accepted Application Form that permits the Company to comply with ASX Listing Rule 7.1) for whatever reason, including to avoid the possible subscription of over \$15,000 worth of New Shares by a shareholder through multiple applications or joint holdings. No fractions of New Shares will be issued.

7. Maximum Number of New Shares to be Issued

The total number of New Shares under the SPP must not exceed 30% of the number of Shares currently on issue. The Directors have resolved to seek to raise up to \$835,000 under the Offer. However, the Directors reserve the right to reject any applications in whole or in part.

8. Participation Costs

You must pay the Issue Price per New Share and any fees or charges incurred by you in completing the Application Form, for example, bank fees or fees of professional advisors. No commission is payable by the Company on the issue of the New Shares and no brokerage applies.

9. Allotment of Shares

Subject to point 7 above, the New Shares will be allotted as soon as possible after the Closing Date. The Company will send, or cause to be sent, to you a Holding Statement in due course.

10. Payment for the New Shares

If paying by cheque, bank draft or money order, you will need to send the enclosed Application Form with payment attached, so that it is received by no later than 4:00pm (WST) on the Closing Date, to:

Computershare Investor Services Pty Limited
GPO Box 505
Melbourne VIC 3001
Australia

If you use BPAY® to pay for the New Shares you will not need to return the Application Form. A Customer Reference Number and Biller Code are provided on your personalised Application Form. You should be aware that your own financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration when making payment. Your financial institution may also have set a daily limit on the amount that you can pay by BPAY®. It is your responsibility to ensure that the amount you wish to pay via BPAY® does not exceed your limit. You must ensure that the amount you wish to pay for New Shares under the SPP is received by the Share Registry by no later than 3pm (WST) on the Closing Date.

Please provide payment for the exact amount. If you do not provide the exact amount, the Company reserves the right to return or reject your Application (in which case you will receive no New Shares) or issue you a lesser number of New Shares and (if necessary) return a portion of your funds. No interest will be paid on money returned.

11. Offers Under the SPP

The Company may make more than 1 invitation to acquire New Shares under the SPP in any twelve (12) month period. Shareholders will not be able to acquire New Shares to a value exceeding \$15,000 pursuant to the SPP in any 12 month period. The Company may amend the terms of the SPP to provide for different terms to apply to different invitations. The Company may terminate the SPP at any time. Notice of invitations, the terms of invitations and termination of the SPP will be provided to ASX. (Although, failure to give notice will not invalidate the event.)

12. Application of SPP

The Company may act or omit to act in relation to the SPP (including applying the terms of the SPP) in its absolute discretion. The Company may settle any difficulty of question of fact or interpretation in relation to the SPP in any matter it thinks fit, whether generally or in relation to any participant, application or New Share. The Company's decision will be conclusive and binding. The Company reserves the right to waive strict compliance with the terms of the SPP. The Directors of the Company or any delegate of them may exercise the powers of the Company under the terms of the SPP.

13. Risk

While the Issue Price is, at the time of this Offer, at an approximately 15% discount to the volume weighted average market price of 2.9 cents per share over the last 5 days on which sales in Manhattan shares were recorded before the date of announcement of the Offer on 1 April 2016, subscription under the SPP is a speculative investment and the market price may change between the dates you apply for New Shares and the issue of New Shares to you. Accordingly, the value of New Shares applied for may rise or fall.

This Offer is not a prospectus and does not require the types of disclosures required under the *Corporations Act 2001*. You must rely on your own knowledge of the Company, previous disclosures made by the Company to ASX, and, if necessary, consult your professional advisor when deciding whether or not to accept the Offer and participate in the SPP.

14. Privacy

By receiving completed Application Forms, the Company collects personal information about shareholders. The Company will use this information for the purposes of processing the Application Form and updating the records of the Company. Unless required by the law, the Company will not disclose the personal information for another purpose without the consent of the shareholder. Except as stated by the law, shareholders are able to access, upon request, their personal information held by the Company. For further information about how we manage your personal information or if you wish to obtain a copy of the Company's Privacy policy, please contact us.
